

Beginning Band Instrument Test Drive

Monday, August 21st from 6-7:30pm in the school cafeteria

At this meeting, we will decide what instrument you will play and whether or not you will use a school instrument or rent/purchase from a vendor. The following three steps will take place:

Step 1: You will select your top 3 choices (occurred in class)

Step 2: With a professional's help, you will "try out" your top 3 choices (and more *if necessary*).

Step 3: Together, we decide which instrument will work best for you and then work to acquire an instrument with your parents.

Parents- If your son/daughter already has an instrument; please bring it to the test drive so we can make sure that your son/daughter has all the accessories/music. **The following week we will begin playing the instruments. Please DO NOT miss this!**
