

Dear Advanced Band Parent,

Your child has not paid any of the payments to attend the end of the year Advanced Band performance and field trip in March to Universal Studios. Please read your options below, select one option, and have your child return this form to the Advanced Band "In Folder" by Friday, December 13th.

- I can make the payments in full by Friday, January, 17th.
 - Please see the details attached or visit www.aingerband.org. Go to "For Adults/Universal Trip".

 - I would like to request scholarship. I understand that I must:
 - Be in compliance with the Newsletter by attending all MPA rehearsals and the performance in February and March and have no referrals the 3rd quarter
 - In addition, I am expected to participate in a band fundraiser or band service project. I am also expected to perform a solo at solo and ensemble.
 - Please note, scholarships are limited based on our booster finances and community donations.
 - Students to be selected will be based on the instrumentation needs of the ensemble and the student's compliance with the criteria above.
-

Please turn this into the AB IN Folder by Friday, December 13th
