

# Band Concert Uniforms

Dear Band Family,

We are excited to announce the intermediate and advanced bands are getting a uniform upgrade. We have been busy collecting students sizes and preparing for the ordering of our band uniforms. The L.A. Ainger Band Boosters have purchased vests and ties for all of the students but they will remain the property of the band. In addition to the vests and ties, the students are required to wear a white dress shirt, black dress bottoms (girls may wear a black skirt), black shoes and black socks.

As part of the uniform the white dress shirt has been sized and ordered for your student by the Band Boosters. This is so that the band will have a uniform appearance with the shirt, vests and ties. The cost of the dress shirt is \$20. It has been sized and specifically ordered for your student. Please have them try their shirt on as soon as possible to ensure it fits. Then please complete the bottom portion of this flyer and send payment to the L.A. Ainger Band Boosters by Friday 12/6/2019. Payments should be in an envelope and be placed in the payment box in the band room. There are envelopes in the band room.

If you have any questions please contact the L.A. Band Boosters at [aingerband@gmail.com](mailto:aingerband@gmail.com)

Sincerely,

LA Ainger Band Boosters

---
