

L.A. ANGER COUGAR BAND

March 2018, Boca Parade for JB and PE

What: The Boca Grande Women's Club is sponsoring a parade and festival on Boca Grande Island. They have asked for jazz band and varsity percussion ensemble members to lead the front of the parade to march in tandem with members of the LBHS Marching Mantas. The women's club provides a large donation to our program every year with continued participation in the parade and festival. This is a required event that has been on the calendar since August. If your child cannot make this event, please fill out the request for an excused absence on aingerband.org under the "For Parents/Forms" tab.

Students will be performing "Land of 1000 Dances" as well as the "Beach Bum" drum cadence while marching in the parade. We will perform the Star Spangled Banner at the conclusion of the parade on the outdoor stage.

Date: Saturday, March 24th.

Time: Parents will need to drive students to and from this event. We will meet at the Cape Haze Publix (near Boca Grande Island) at 9:15am to receive cash to drive onto the island (otherwise it is \$6 per vehicle). We will then lineup at the front of the parade just before the downtown area on Boca Island at 9:45am. Parents can park here along the side streets. The parade route ends at the Island School (just after downtown). We will be done performing around noon when students should go home with their parents.

Attire: Blue jeans, tennis shoes and socks, and band shirt (NOT POLO).

To Bring: Instrument with music in a lyre with a flip folder. Marching percussion, sousaphones, and bari saxes will be delivered to and from the event in the band trailer.

Cut this portion, fill out, and turn into the JB/PE-In Folder no later than Friday, March 9th

Please keep the upper portion for informational purposes
