

Friends for the Advancement of Musical Education

F.A.M.E. is an organization which is committed to the betterment and preservation of music for our next generation. Our goal is to make sure that every child who wishes to be in the music program at our local schools has the opportunity, regardless of financial status.

We have held 13 annual fundraisers to date and have netted over \$265,000. We receive a “wish list” of instruments needed from the music directors in our local school every year. all the money we raise goes toward purchasing musical items on those lists.
