

**If you are missing anything on the back of this sheet,
please contact a local vendor below and order it.**

7/8th grade students should have all materials by Friday, August 19th.

- ✓ Cadence Music, located in Fort Myers 1-800-262-BAND (2263), www.cadencemusic.com
 - This store has everything and delivers instruments and accessories to Ainger every Tuesday.
 - In addition, Cadence will also pick up any instrument repairs if you are renting from their store. If your instrument needs repairs, please do the following:
 - You or your parents call the store.
 - Ask for an instrument loaner.
 - See Mr. Ostrow before class or in the morning. He will place it in a safe place for pick-up.
 - Mr. Ostrow will swap your accessories and mouthpiece with the loaner instrument when the rep arrives.
 - When the instrument returns from the shop, we will swap again.

- ✓ Larry Mynett, located in Venice 941-223-2850, 707 Hobart Rd. Venice FL
 - Mr. Mynett is a skilled repair technician for all wind instruments. If your instrument needs repair, *and you own it*, it is recommended to call him. You can also use the above vendors if you need.
 - Mr. Mynett will not have an instrument loaner for you; however, Mr. Ostrow might if you need to borrow one.

- ✓ Ace Drums, located in Port Charlotte 941-979-5457, www.acedrums.com
 - Ace Drums specializes in drums, guitar, bass and piano.
 - Ace Drums also offers private lessons.
 - If you are renting an instrument through this vendor, you will need to visit their shop to have it repaired.
 - Remember to ask for a loaner.

- ✓ Rock Box, located in North Port 941-200-2163 rockboxmusicschool.com/
 - The Rock Box specializes in private lessons.

- ✓ Troll Music, located in Venice 941-484-8765, www.trollmusic.com
 - If you are renting an instrument through this vendor, you will need to visit their shop to have it repaired.
 - Remember to ask for a loaner.

If you cannot acquire materials right now, please complete the form at the bottom of this page: <https://www.aingerband.org/materials-needed-for-band.html> . I will work with the boosters to make it happen for your child.
