Officials will include a + or - by the subdivisions, which mean they are noticeably good or noticeably needing improvement as related to the letter grade assigned. The absence of any marks indicates a performance consistent with the letter assigned. After completing the previous, enter an A, B, C, D or E to indicate the level of performance in each category. Average the two letter grades in each category to arrive at a final letter grade. Average the three final grades to arrive at the FINAL RATING.

NOTE: The Overture is weighted heavier than the march due to the length and greater demands of musicianship

COMMENTS

Hello Ainger Cougar Band!

PREVIEW *Excellent, highly-effective strategies for previewing! All students are engaged and participating. TRUMPETS - You are taking too long to tune. Work on efficiency.*

MARCH *Thank you for spirit and confidence! You had a strong start and you are observing dynamics! Thanks for the contrast of styles! Only a few errors here and there - recover quickly!*

For improvement, I suggest adding sight reading to your individual daily practice routine at home. You will improve as individuals and that will help your band too!

OVERTURE } again - Thank you for a spirited and confident start. Exposed parts are being played well (esp. trumpet and upper Ws). Thank you for your dynamic contrast as well as contrast of styles.

Congratulations to you!
