

L.A. ANGER COUGAR BAND

Thursday, March 5th

JB Registration Night Performance

What: We have been invited to perform at registration night for 5th grade students and parents. Following our performance, students that want to can stay and help 5th graders test drive instruments in the band room. Please check an option below.

When: Thursday, March 5th. Students will report to the band room directly after 7th hour. We will set up the jazz band in the gymnasium, eat a pizza dinner, and change into our performance attire prior to our performance at roughly 5:20-5:40.

Where: Anger Band Room/Gym. Parents that would like to attend can come and watch in the audience. This would be a great time to hear us as most parents weren't able to attend MPA.

Bring: Your instrument and music.

Attire: Formal dress with vests and ties/bowties with all black on the bottom. Students are welcome to place their clothes in practice lab 1 during the school day.
