

## Solo & Ensemble Festival Information, 2020

The **Florida Bandmaster's Association** (F.B.A.) sponsors the District 11 Solo and Ensemble Festival during February of every year. The opportunity to be evaluated as a soloist or as a member of a small ensemble by a judge (an experienced music educator) is a wonderful learning experience. Participation in this festival is strongly encouraged for students in the advanced band.

*Due to the large size of our band program, students in intermediate or beginning band may only participate if he/she is taking private lessons.*

**Each student and a parent must complete the contract on the back of this to participate in the Solo & Ensemble Festival. Additionally, each festival participant must pay the required fees. Both the contract and fees must be turned in by Monday, December 16<sup>th</sup>.**

This contract and the lessons/rehearsals with the accompanist are used to *nearly* guarantee each student will be properly prepared and have a great experience.

There are two ways in which a student may participate in the Solo & Ensemble Festival. Students may play as a soloist with a piano accompanist. There is a small fee for performing a solo. Students may also perform in a chamber ensemble. There is a \$5 fee per member.

All music performed *must* be chosen from the F.B.A. Music List. Music will be chosen with the help of the director or the student's private teacher.

### Solos

- A solo is a piece of music written for one person to perform on his or her instrument.
- Solos include a piano part (the accompanist) that must be performed with the solo.
- A student may perform only one solo per instrument. If a student plays more than one instrument, he or she may perform multiple solos, as long as they are on different instruments.

### Ensembles

- An ensemble is a small group of performers. This includes: duets (2), trios (3), quartets (4), quintets (5), and choirs (up to 26).
- Ensembles **DO NOT WORK** when 1 or more members are not present to practice with the group. As such, ensembles will rehearse before school on Mondays from 7:45-8:45am beginning in January. If a student a member does not attend without reason, the group will not perform and there will be no refunds.
