2022 Universal Ainger Band Trip Information

- Attire: Black band shirt (so that we can easily find our group) with shorts or pants. Tennis shoes are recommended, especially for rollercoasters! If you bring a cell phone, consider bringing a battery charger. The PTO will be providing lanyard phone pouches for students.

- To Bring: Extra cash is recommended for souvenirs or drinks in between lunch and dinner. It is recommended that students that wish to ride the water rides bring a poncho that can fit in your pocket. Sunscreen is also recommended, but will need to be left on the bus.

    - Please don't bring a bag or backpack as you will have to pay for storage while you are on the larger rides. If you want to bring a bag or backpack on the buses, that is ok, but please leave it on the buses.

- Food and Tickets: Students will receive a muffin and a water while en route to Universal for breakfast. Your chaperones will have your gift cards and park tickets when we arrive. You will use the gift cards of $35 for lunch and dinner. If you have left over funds, you can purchase souvenirs at the *end of the night*.
    - If you have a ticket holder pass, you must show it to Mr. Ostrow or Ms. Mortensen before you get on the bus!

- Communication: We will be using Remind to communicate for this trip. Please sign up for Remind texts specific for this trip by doing the following:
    - Internet: remind.com/join/ch76e6
    - By Phone: Enter 81010 and text this message "@ch76e6"

- Behavior:
    - If there are ANY issues with disrespect or any inappropriate actions that need to be addressed immediately, speak with your chaperone or text Mr Ostrow via Remind. If there are minor issues such as swearing or rude behavior, let Mr. Ostrow know when we get together later. He can address those minor issues with the principal immediately on Monday when we return. If it is major issue (inappropriate touching, shouting and yelling at another person, fighting) contact him immediately and he will meet up with you somewhere in the park. Students should be on their best behavior at all times.
    - In addition, students MUST be with a chaperone at all times. If any student is found alone or IS MISSING, chaperones are asked to contact Mr. Ostrow or Mr. Eyrich immediately.

- Care Package: Each chaperone will have student tickets and gift cards. Students will receive them AT THE GATE AND NOT BEFORE!
